SERVICE DESCRIPTION

Crew performs pressure wash of patio, sidewalks on all sides & rear of building, back door pad, drive-thru for locations. Service starts 1 hour after closing, finishes 2 hours before opening. Most stores open 5AM-9PM on weekdays and close at 10PM/11PM on weekends. Crew must be able to provide water tank as stores outside water spigot may not work. Crews must ensure compliance with all jurisdictional requirements. Chemicals used must be “Green“ and not harmful. All techs must wear appropriate PPE (gloves, safety goggles, ear protection & non-slip footwear). Drive thru cleaned 30’ before drive to 10’ after the service window. Photos required for payment with 12 photo minimum. 6 before & after photos,1 picture of front door area with address on it (reference photo guide attached). Report back to Account Manager if any safety/security issues noted during services. Squeegee overspray off windows after pressure wash is completed.
